WITNESSETH:

WHEREAS, the parties hereto recognize that the enlightened participation of the public, management and labor is needed if The Company is to make its maximum contribution to the community, and recognizing that complete and uninterrupted patient care is of vital importance to the health, welfare and safety of the community, and desiring to establish a standard of wages and other conditions of employment under which members of the Union shall work for The Company during the term of this Agreement, and

WHEREAS, the parties hereto desire to regulate relations between the parties with a view to securing harmonious cooperation thereby averting interruptions and interferences with services to patients and building occupants,

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, it is agreed by and between the parties as follows:

ARTICLE I- RECOGNITION

1. The Company hereby recognizes the Union as the sole and exclusive bargaining representative of the employees of Crothall Services as defined in Section 1.1. below pursuant to certifications of the Pennsylvania Labor Relations Board Case No. PERA-R-28-E, Case No. PERA-R-1633-E and Case No. PERA-R-4189-E and this Agreement shall apply only to such employees.

1.1 The bargaining unit shall consist of all full-time and regular part-time service employees who regularly work eight (8) or more hours per week, who work for Crothall Services.

1.2 A temporary employee is one who is hired for a period of up to three (3) months, and who is so informed at the time s/he is hired, or a person who is hired to fill a temporary job, a special project or to replace any employee on leave of absence or vacation. The Company shall notify the Union prior to the implementation of special projects. Upon the expiration of the aforesaid three (3) month period, The Company may request an extension of another three (3) month period which extension shall not be denied by the Union. A temporary employee must become a member of the Union after his/her first three (3) month period in accordance with Article III. The Company agrees to identify temporary employees on monthly report.

ARTICLE I- RECOGNITION continued

1.3 Effective July 1, 1983, work regularly and customarily performed by a bargaining unit employee shall not be performed by a student employee to the extent that it results in the layoff of the bargaining unit employee. A position filled by a full-time bargaining unit employee which becomes open will not be split into two or more part-time positions in order to provide employment for a student employee and no such position shall be filled by student employees unless it cannot be filled on a full-time basis. However, none of the foregoing restrictions shall apply where such work is part of a student's curriculum.

1.4 Supervisors shall not do work normally performed by employees, except for the purpose of instruction, supervision, experimentation, emergencies, or where the normal duties of supervisors overlap the duties of employees. An emergency is herein defined as any suddenly arising situation necessitating immediate action by The Company to maintain safety or health, to prevent damage to equipment, facilities, property, and/or materials, to aid in correcting or repairing malfunctions, inadequate staffing due to absenteeism of department employees and unforeseen increases in workload.

ARTICLE II - CHECK-OFF

1. Upon receipt of a written authorization from an employee in the form annexed hereto and marked Appendix "A", The Company agrees to check off from the first pay period of each month the employee's Union dues and to forward said payment to the Union or on before the 15th day of each month.

1.1 Employees who are required by the provisions of Article III, Union Security, to maintain their membership in the Union and do not sign check-off authorizations, shall adhere to the same payment procedure by making payments directly to the Union.

ARTICLE II - CHECK-OFF continued

1.2 An employee who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting labor organizations, shall not be required to join and remain a member of the Union as a condition of employment. Such employee shall be required as a condition of continued employment, to remit to the Sickle Cell Anemia Foundation, the Lupus Foundation or the American Cancer Society, each a recognized and valid charity under Section 501(c) (3) of Title 26 of the Internal Revenue Code, monthly a sum equal to the initiation fee and regular dues of the Union, as provided for herein. Such sum shall be checked off by The Company from the employee's pay at the same time and in the same amount as initiation fees and dues are and should be remitted by The Company to the charity designated by the employee from the above list. Such designation shall be in the form of a written authorization.

1.3 Upon receipt of a written authorization from any employee in the form annexed hereto and marked Appendix "B", The Company agrees to check off once each month the sum specified in said authorization and remit the same to the Union for District 1199C Political Action Fund.

2. Upon receipt of a written authorization from an employee in the form annexed hereto and marked Appendix "C", The Company agrees to check off from each pay period the sum specified in said authorization and remit the same monthly to the District 1199C Credit Union.

3. There shall be no check off until an employee has satisfactorily completed his/her probationary period.

ARTICLE II - CHECK-OFF continued

4. The Union shall indemnify and save The Company harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by The Company for the purpose of complying with any of the provisions of this Article or any other provisions of this Agreement relating to any requirements of membership in the Union, or obligations of Union members or by reason of The Company's reliance upon any list, notice, request or assignment furnished under any of such provisions or by reason of any action taken or not taken by the Union.

5. The Company shall be relieved from making such check off deductions from an employee upon his/her (a) termination of employment, (b) transfer to a job outside the bargaining unit, (c) layoff from work, (d) an excused leave of absence or (e) revocation of the check off authorization in accordance with the Article Union Security.

6. The Company agrees to furnish the Union monthly or as soon as thereafter practical the names of newly hired employees, their addresses, Social Security numbers, classifications and date of hire. The Company also agrees to furnish the Union with the names of terminated employees together with the date of their termination, job title, department and social security number. The Company also agrees to furnish the Union the names of employees who are on a leave of absence for more than one (1) month.

7. On written notice from the Union, The Company agrees to remit dues and initiation fees to the Union's Philadelphia Office if so designated beginning with the following month.

ARTICLE III - UNION SECURITY

1. All employees on the active payroll as of the effective date of this Agreement, who are members of the Union shall maintain their membership in the Union in good standing as a condition of continued employment.

2. All employees on the active payroll as of the effective date of this Agreement who are not members of the Union shall become members of the Union thirty (30) days after the effective date of this Agreement. The Company agrees to provide quarterly reports of part-time and per diem employees to the Union.

ARTICLE III - UNION SECURITY continued

3. All employees hired after the effective date of this Agreement shall become members of the Union no later than the sixtieth (60th) day following the beginning of such employment and shall thereafter maintain their membership in the Union in good standing as a condition of continued employment.

4. For the purposes of this Article, an employee shall be considered a member of the Union in good standing if s/he tenders his/her periodic dues and initiation fee uniformly required as a condition of continued employment.

An employee who has failed to maintain membership in good standing as required by this Article, shall, within twenty (20) calendar days following receipt of a written demand from the Union requesting his/her discharge, be discharged if, during such period, the required dues and initiation fee have not been tendered.

The Union shall indemnify and save The Company harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by The Company for the purpose of complying with any of the provisions of this Article or any other provisions of this Agreement relating to any requirements of membership in the Union, or obligations of Union members or by reason of The Company's reliance upon any list, notice, request or assignment furnished under any of such provisions or by reason of any action taken or not taken by the Union.

ARTICLE IV -PROBATIONARY EMPLOYEES

An employee shall complete his/her probationary period after s/he has worked at The Company for sixty (60) calendar days. The Company, with the consent of the Union, may extend the probationary period of any employee for an additional thirty (30) calendar days. If an employee is absent for any reason during his/her probationary period the number of days s/he was absent shall be added to the sixty (60) calendar days eligibility period and s/he shall not complete his/her probationary period until an equivalent amount of days have been worked. Any time during an employee's probationary period, s/he may be suspended, or discharged by The Company for any reason and such suspension or discharge shall not be subject to the Grievance or Arbitration Provisions of this Agreement.

ARTICLE V - WAGES

1. Effective July 1, 2006, each employee covered by this Agreement shall receive an increase in his/her base weekly rate of three percent (3%). The job rate will not be increased and will remain the same.

2. Effective July 1, 2007, each employee covered by this Agreement shall receive an increase in his/her base weekly rate of three percent (3%). The job rate will not be increased and remain the same.

3. Prior to June 30, 2008 The Company shall meet with the Union for the purpose of negotiating wage increases, if any, for the years 2008 and 2009. It is understood that the subject of wage increases is the only subject, except as otherwise provided herein, that may be discussed during such negotiations and in all other respects, except as noted below, all other terms and conditions of the Agreement shall remain in effect for the term of the Agreement.

The exception as to the contract remaining in effect during the wage re-opener is Article XXI, No Strikes, Article XXVIII, Group Legal Fund Services, and Article XIX, Welfare. In the event that The Company and the Union are unable to agree upon a wage increase, if any, the Union shall be free to strike and The Company shall be free to lockout.

4. The across the board increases set forth in paragraph (1) through (2) shall apply to the minimum rates.

5. (a) In the event a new classification is established or an existing classification is substantially changed, The Company shall assign it to an existing pay grade in the wage schedule and advise the Union of a proposed rate for the new job.

(b) The Company shall provide the Union with a written job description of the new changed classification which shall describe the job contents sufficiently to identify the new duties.

ARTICLE V – WAGES continued

(c) Upon receipt of the job description, the Union shall be given an opportunity to meet with The Company, if the Union wishes to meet, to discuss the new or changed classification and the assignment of a pay rate. If the parties are unable agree to a rate for the job, the rate for the job may be submitted through the grievance procedure.

(d) Classification titles deleted from Appendices of previous agreements because they were not in use will be restored to the former pay grade if an employee is assigned the full range of duties characteristic of the former classification.

(e) Maintenance Department employees who work in the capacity of Acting Forepersons shall receive an additional 5% over their existing rates of pay while acting in this capacity.

STEP ONE. The employee or employees affected shall take the matter up with his/her supervisor within ten (10) days of its occurrence, either directly or through a Union Delegate in an attempt to effect a satisfactory settlement. The supervisor shall have five (5) days after the grievance was first presented to settle the matter. If no satisfactory settlement is reached, the grievant or Union may within five (5) days after the supervisor's answer appeal to-

ARTICLE VI - GRIEVANCE PROCEDURE continued

A hearing on the grievance shall be convened if requested by either party. The Department Head or his/her authorized representative shall have five (5) days after receipt of the grievance to give his/her answer. If no satisfactory settlement is reached within five (5) days after the Department Head's answer the grievant or the Union may appeal the matter to-

STEP THREE. The grievant or the Union will submit the written grievance to the Personnel Director who shall have ten (10) days in which to give his/her answer. A hearing on the grievance shall be convened if requested by either party.

If no satisfactory settlement is reached, the grievance may be appealed to arbitration by the Union upon written notice to The Company and the American Arbitration Association by registered mail within ten (10) days of the answer of the Personnel Director, except in cases of discharge, in which the time period shall be thirty (30) calendar days. The Arbitration shall proceed in accordance with the current rules of the American Arbitration Association.

Effect of Failure to Appeal. Any grievance shall be considered as settled on the basis of the last answer of The Company if not appealed to the next step or to arbitration within the time limitations set forth herein. Time is of the essence.

Effect of Settlement. The disposition of any grievance at any step of the grievance procedure, or prior to actual receipt of the decision of an arbitrator, by agreement between The Company and the Union shall be final and binding upon the employee, employees or persons who are involved or affected thereby. Any interpretation of this Agreement agreed upon by The Company and the Union shall be final and binding upon all employees and upon any person affected thereby.

ARTICLE VI - GRIEVANCE PROCEDURE continued

Computing Time Limitations. Saturdays, Sundays and holidays shall be excluded from the computation of time limitations under the grievance and arbitration procedure of this Agreement.

Discharge. An employee who has been discharged shall by-pass Steps One and Two of the Grievance Procedure and file his/her grievance directly with the Personnel Director within five (5) days of the discharge. The grievance shall then be processed in accordance with Step Three of the Grievance Procedure.

The Union will be informed of an employee's discharge or suspension within seventy-two (72) hours of the discharge or suspension.

An employee who is to be suspended or discharged shall have the right if s/he desires to have a Union Delegate represent him.

An employee who leaves work for disciplinary reasons may consult with his/her Union Delegate for a reasonable amount of time, not to exceed fifteen (15) minutes, before leaving the premises.

Class Grievance. A grievance which affects a substantial number or class of employees, and where the facts of the case are identical to all employees involved may initially be presented by the Union at Step III of the Grievance procedure so long as the grievance is filed within ten (10) days of its initial occurrence.

An employee shall have the right to have a union representative present at all disciplinary hearings if they so desire.

ARTICLE VII- ARBITRATION

Authority of Arbitrator. The arbitrator will make his/her findings and render his/her decision to resolve the disagreement. The arbitrator shall not have jurisdiction to add to, modify, vary, change or remove any terms of this Agreement or to determine that any provision of this Agreement established an implied limitation upon The Company which is not herein specifically set forth. The scale of wages established by this Agreement shall not be changed by any arbitration decision.

ARTICLE VII- ARBITRATION continued

Effect of Decision. The decision of the arbitrator shall be final and binding upon The Company, the Union and the employees covered by this Agreement.

Expenses. The expenses of the arbitration and arbitrator's fee shall be borne equally by the parties.

Retroactivity. Awards or settlements of grievances shall in no event be made retroactive beyond the date on which the grievance was first presented in Step One of the Grievance Procedure except if the grievance concerns an error in the employee's rate of pay, the proper rate shall be applied retroactively to the date the error occurred. All claims for back wages shall be limited to the amount agreed to by The Company and the Union, or ordered by the arbitrator, as the case may be, less any unemployment compensation or other compensation that the aggrieved employees may have received from any source during the period for which back pay is claimed.

ARTICLE VIII - SENIORITY

1. Definition

(a) Bargaining unit seniority is defined as the length of time an employee has been continuously employed in any capacity at The Company.

(b) Departmental seniority is defined as the length of time an employee has been continuously employed in a department.

(c) Classification seniority is defined as the length of time an employee has worked continuously in a specific job classification within a department.

2. Accrual

(a) An employee's seniority shall commence after the completion of his/her probationary period and shall be retroactive to the date of his/her most recent hiring.

ARTICLE VIII – SENIORITY continued

(b) Bargaining unit seniority, departmental seniority and classification seniority shall accrue during a continuous authorized leave of absence without pay for no more than six (6) months or for the period of maternity leave or leave for Union business provided that the employee returns to work immediately following the expiration of such unpaid leave of absence; during an authorized leave of absence with pay; during a period of continuous layoff not to exceed the lesser of six (6) months or the length of an employee's continuous employment, if the employee is recalled into employment; and during a sick leave up to six (6) months. The Company may in particular circumstances grant an extension in leaves of absence.

(c) A temporary employee shall have no seniority during the time s/he occupies this status of temporary employee. Should any temporary employee become a permanent employee, seniority shall be retroactive to the date of the employee's most recent hiring.

(d) Part-time employees who are regularly scheduled to work eight (8) hours per week or more shall accrue seniority as set forth in (a), (b) and (c) above on a pro-rata basis of actual hours worked. If a part-time employee has accumulated more full time equivalent seniority than a full-time employee, the part-time employee shall be considered to have greater seniority as it applies to the terms of this Agreement.

3. **Loss Seniority.** Seniority shall be broken when an employee:

(a) Quits, resigns or takes a job elsewhere when his/her regular work is available at The Company.

(b) Is discharged for cause.

(c) Is laid off for a period of twelve (12) consecutive months or a period exceeding the length of the employee's continuous service, whichever is less. Seniority shall not accrue after a layoff of six (6) consecutive months or more.

(d) Fails to report for work following recall from layoff or a decision of an arbitrator reinstating an employee who was discharged within two (2) working days after being notified by telegram or mail at the last address in The Company's records. The Company shall also send a copy of the notification to the Union.

ARTICLE VIII – SENIORITY continued

(e) Fails to return following the end of a leave of absence, vacation or sick leave unless the employee presents a reasonable excuse acceptable to The Company.

(f) Is employed by another employer during a leave of absence except for military duty.

(g) Fails to return following a disciplinary suspension.

(h) Is absent for forty-eight (48) consecutive hours without notifying The Company unless the employee presents an excuse acceptable to The Company.

4. Seniority Lists

(a) Seniority lists by bargaining units and classification shall be posted once during each contract year. Such lists will be subject to correction upon protest, but if no complaint is made by an employee within thirty (30) calendar days after posting, the date of hire and departmental classification for that employee, as published, will be assumed to be correct and shall be the basis, thereafter, for all seniority, subject, however, to any revisions that may result from settlement of any grievances which arose within the thirty (30) calendar day posting period.

(b) An employee who is continuously absent during said thirty (30) day period, including but not limited to leaves of absence, sick leave, vacation or disability, shall have ten (10) working days upon his/her return to work to inspect the seniority lists and advise the Personnel Office of any discrepancies.

(c) After the lists have been posted for thirty (30) calendar days, the Personnel Department shall make all appropriate changes and submit corrected copies to the Union, which will make them available to all bargaining unit employees.

ARTICLE IX - LAYOFF

If it becomes necessary to reduce The Company's work force because of lack of work, funding or an emergency that curtails normal operation, the following shall apply:

ARTICLE IX – LAYOFF continued

1. In the event of a layoff within a job classification or group, all non-bargaining unit employees in the classification affected shall be laid off first. Probationary employees within the job classification shall be laid off next, followed by temporary employees, without regard to their individual periods of employment. Non-probationary part-time employees in the classification or group within the department shall be the next to be laid off on the basis of their bargaining unit seniority, provided the remaining employees have, in The Company's opinion, the present ability to perform the required work. Full-time, non-probationary employees shall be the next to be laid off based on bargaining unit seniority.

2. In the event an employee is scheduled to be laid off in one department and there exists a vacant position or a position filled by a probationary employee in another department which the employee has the present ability to perform, then bargaining unit seniority shall prevail in assigning such employee scheduled to be laid off to such vacant position or position filled by the probationary employee. This provision is not intended to circumvent Article XI, Promotion and Transfer, of this Agreement.

3. Employees to be laid off shall be given at least two (2) weeks' notice except in emergency situations. Probationary employees need not be given notice prior to layoff.

4. All delegates of the Union under this Agreement shall head the bargaining unit, departmental and classification seniority lists for the duration of their term of office. At the expiration of their term of office, or removal, or resignation, they shall return to their regular seniority standing. Such super-seniority rights shall apply only in cases of layoff and recall.

5. Vacant positions shall be deemed to include those occupied by newly hired probationary and temporary employees in the bargaining unit for purposes of layoff and bumping.

6. In the event of a layoff within a department, like classifications shall be grouped together for the purpose of such layoff within the department.

ARTICLE X - RECALL

1. Employees laid off shall be recalled by job classification or group in the inverse order of their layoff. If a vacancy occurs in a job classification or group where no laid-off employee has recall rights in that classification or group, laid-off employees within that department shall be given next consideration, provided in the opinion of The Company, they have the present ability to perform the work. Bargaining unit seniority shall govern where present ability to perform the job is considered equal. Whether an employee has the skill and present ability to perform the work when recalled to a classification different from the one s/he held at the time of his/her layoff shall not be subject to the grievance and arbitration provision of this Agreement.

2. Probationary employees laid off have no recall privileges.

ARTICLE XI - PROMOTION OR TRANSFER

1. When a promotional opening occurs in a department, preference shall be given to the employee with the greatest skill and present ability to perform the new job. Departmental seniority shall govern where skill and present ability to perform the new job are considered to be equal.

In the event there is no one in the department with the skill and present ability to perform the new job, employees bidding for the position shall be considered on the basis of their bargaining unit seniority and on the basis of their ability to perform the work.

2. The Company has the right to determine the qualifications of employees for promotional purposes.

3. If any time within two (2) months The Company determines that any transferred or promoted employee is not qualified for the job or is not performing the work satisfactorily, after being counseled by The Company, the employee shall be returned to the job from which s/he transferred or was promoted without loss of seniority. An employee shall not exercise his/her promotional opportunity more than once in twelve (12) months, except with the approval of his/her department head and the department head of the department into which the employee is to be promoted or transferred.

ARTICLE XI - PROMOTION OR TRANSFER continued

4. When an employee is permanently transferred or promoted, such employee shall be paid the rate of the job to which s/he has been transferred or promoted. An employee who is promoted to a higher grade will receive an increase of at least twenty-five (\$.25) per hour, except when such increase will result in the promoted employee receiving a higher rate of pay than the highest paid incumbent in that grade, in which case the promoted employee's rate of pay will be the same as the highest paid incumbent.

5. When an employee is temporarily transferred or promoted to a higher-rated job and works in that job for an entire shift, s/he shall receive the rate for that job.

ARTICLE XII - OVERTIME

1. For all employees except those working in the Nursing Department, Dietary Department, Central Supply Room, Operating Room and General Services employees in the Hospital, time and one-half shall be paid for all hours or parts of hours actually worked in excess of forty (40) hours in any one (1) week.

2. Employees working in the Nursing Department, Dietary Department, Central Supply Room, Operating Room and General Services employees in the Hospital, shall be paid time and one-half for all hours or parts of hours actually worked in excess of eight (8) hours in any one day and in excess of eighty (80) hours in a two-week period. There shall be no pyramiding of overtime.

3. Paid leaves, except sick leave, shall be considered as time worked for overtime purposes.

4. Whenever overtime or additional hours are available, they shall be distributed equally within the affected classification; Scheduled hours available for overtime will be posted in a central location so that employees may sign up to work such additional hours. Part time employees will be offered additional hours before full-time employees.

ARTICLE XIII - SHIFT DIFFERENTIAL AND SHIFT ASSIGNMENTS

1. A shift differential of ten (10%) percent per hour of an employee's regular straight-time rate shall be paid to all employees assigned whose straight-time hours start at or after 2:00 P.M. and before 6:00 A.M.

Shift differential shall be included when calculating an employee's holiday pay, sick pay or vacation pay only, and shall not be included for any other benefit whatsoever.

2. When the operations of a department permit, an employee shall have preference over new employees in filling vacancies on another shift in the classification in which s/he is then working. In the event management deems it necessary to assign a newly hired employee to a vacancy instead of a senior employee who has requested a transfer, in order to train the newly hired employee, after the newly hired employee has been trained sufficiently and has demonstrated his/her ability to perform the work required on the senior employee's shift, management will not unreasonably withhold its approval of such senior employee's request for transfer. Training of employees shall be no longer than six (6) months except where such cases are documented and information is provided to the Union. If such transfer is approved, the newly hired employee will be transferred to the senior employee's former shift. In the event the senior employee's request for transfer is denied, it will be subject to the Grievance and Arbitration Provisions of this Agreement.

3. In the event a new shift is established, The Company will request volunteers. If no employee volunteers, individuals will be selected for the shift assignment based on job classification in inverse order of seniority.

ARTICLE XIV - DEATH IN FAMILY

In the event of the death of an employee's parent, spouse, child, brother, sister, mother-in-law, father-in-law, grandparent or grandchild, sister-in-law, brother-in-law, stepparent, stepbrother, stepsister and stepchildren an employee who has completed his/her probationary period will be allowed up to three (3) regular scheduled days off with pay at his/her regular straight-time rate provided time off is taken between the date of death and the day following the funeral. In the event the funeral is scheduled on a day that is not a regularly scheduled work day for the employee, s/he shall not receive any pay for that day under this provision. Advance notice must be given to the employee's supervisor before any time off can be taken.

An employee shall be able to use vacation, personal or unpaid days to extend bereavement leave with the approval of the Department Head.

There shall be no duplication of payment that the employee may otherwise receive under this Agreement. Proof of death and verification of relationship may be required.

ARTICLE XV - JURY DUTY

The Company agrees to compensate all regular full-time employees and all regular part-time employees who work eight (8) hours a week or more and who have completed their probationary period, the difference between the wages they would have received at their regular straight-time rate and the compensation they actually receive while serving as a juror for all time lost from their regular working hours. This provision shall not apply if an employee volunteers for jury duty. The receipt of a subpoena or notice to report for jury duty must be reported immediately to the Personnel Office and The Company may request that the employee be excused from such jury duty.

ARTICLE XVI - SICK LEAVE

1. Sick leave is defined as the absence of an employee from his/her regularly scheduled work because of illness or an injury which is non-work connected and not compensable under the Pennsylvania Worker's Compensation Laws. An employee may use up to two (2) sick days or partial sick days per year to cover time lost from work for visits to the doctor or dentist, provided such time is requested at least five (5) working days in advance and approved.

ARTICLE XVI - SICK LEAVE continued

Such approval shall not be unreasonably denied. An employee may use up to two (2) sick days or partial sick days per year to cover time lost from work for care of an employee's parent, spouse, child, brother, sister, mother-in-law, father-in-law, grandparent or grandchild who are ill.

2. Upon the completion of a regular full-time employee's probationary period, s/he shall earn paid sick leave at the rate of one (1) day for each month of continuous employment up to a maximum of one hundred-thirty (130) days.

3. Unused sick leave shall not be paid upon an employee's termination of employment. However, effective July 1, 2005 employees retiring at age sixty-four (64) shall be paid for accumulated sick leave up to a maximum of thirty-six (36) days. Effective July 1, 2006 employees retiring at age sixty-three (63) shall be paid for accumulated sick leave up to a maximum of thirty-six (36) days. Effective July 1, 2007, employees retiring at age sixty-two (62) shall be paid for accumulated sick leave up to a maximum of thirty-six (36) days.

4. The Company reserves the right to require a doctor's certificate in order for an employee to receive sick leave for absences of more than two (2) days. In order to qualify for sick leave, an employee or member of his/her family must notify his/her supervisor of his/her absence in accordance with departmental procedure, which shall be no more than two (2) hours prior to the start of the shift, except that the Nursing Department may require up to three (3) hours notice prior to the start of the evening and night shifts.

5. Employees will continue to earn vacation and holiday benefits while out on paid sick leave. However, holidays falling within an employee's paid sick leave will be granted only after the employee has returned and has worked for two (2) weeks.

6. An employee on a leave of absence shall not earn sick leave under the provisions of this Article.

7. Part-time employees shall receive pro-rata sick leave benefits.

ARTICLE XVI - SICK LEAVE continued

8. In the event that an employee becomes eligible for benefits under the Pennsylvania Worker's Compensation Laws due to sickness or injury as a result of employment, the employee shall be paid at his/her regular rate of pay for the first seven (7) calendar days in which the employee loses time due to such illness or injury. 8. Labor-Management Committees

The health care workers of District 1199C and the leadership of the hospital and nursing homes are committed to providing every patient at every institution with the best care we can.

We recognize that this can best be accomplished by the Union and the industry working together in full partnership

Our health care system is changing. While the direction of much of this change is uncharted and unknown, there is certainty that change will come. And with this there will be transformations in the care people receive and the character of the work that is performed.

ARTICLE XXVII - TRAINING AND UPGRADING continued

DEVELOPMENT OF A MULTI-INSTITUTIONAL PREFERRED PROVIDER NETWORK WITHIN THE NATIONAL BENEFIT FUND

Both the Employer and the Union see as desirable the development of a Preferred Provider Network to offer substantial cost savings in the provision of high quality health care to beneficiaries of the National Benefit Fund. Both parties believe that their interests will best be served if all National Benefit Fund participants utilize participating Preferred Provider Network hospitals.

In furtherance of this goal, the Union agrees to develop a Master Proposal which will enable the National Benefit Fund to incorporate this Preferred Provider Network into its program.

The Employer agrees to cooperate with the Union in its attempt to develop a Preferred Provider Network and provide such technical assistance as is appropriate in the design of this Preferred Provider Network.

Both the Employer and the Union recognize that a mechanism must be adopted to properly credit the Employer for any discounts it may ultimately agree to.

Part of the objective of the Preferred Provider Network is to eliminate certain out-of-pocket expenses for beneficiaries of the Fund and to provide promotion, marketing and incentive services for the beneficiaries through the Employer.

The Employer agrees, if requested, to meet with the Union within thirty (30) days of this Agreement to begin discussing the above proposal.

This Agreement does not in any way commit the Employer to the Union's proposal in the event that it does not meet with the Employer's satisfaction.
