Section 2. Delegates shall have the right to investigate and otherwise prepare and process grievances and to be present at all disciplinary proceedings on their own time when feasible and on work time when necessary, except that disciplinary meetings may take place in the absence of a delegate if a delegate is not in the Nursing Facility and it is necessary to conduct the disciplinary meeting promptly due to the severity of the situation or because of progressive discipline considerations or because the supervisor delivering the discipline is not scheduled to

be in the Nursing Facility for the next several days. (This exception shall not be utilized for the purpose of conducting disciplinary meetings without a delegate present.) When it is necessary for delegates to utilize working time for these purposes, they are required to obtain approval from their supervisor before leaving their assignment and notify their supervisor upon their return. This provision does not require the presence of a particular delegate if such delegate is not available when it otherwise would be appropriate to conduct the disciplinary meeting, provided that the meeting will not be scheduled for the purpose of avoiding the attendance of the particular delegate.

Section 3. The Employer shall try to provide appropriate meeting space upon request of the Union. The Union shall endeavor to make such request adequately in advance.

Section 4. The Employer shall provide one (1) locked enclosed bulletin board for the exclusive use of the Union. Such bulletin board shall be located in a place readily accessible to Employees in the course of their employment.

Section 5. The Employer will schedule delegates so as not to interfere with regularly scheduled Delegate Assembly Meetings of which the Employer has notice, without loss of pay.

Section 6. The Employer shall reimburse delegates for time lost from the Facility to attend to union business away from the Facility, up to an aggregate total of Four Thousand, Two Hundred Dollars (\$4,200) during the period from July 1, 2008 through June 30, 2012, divided (as determined by the Union) between delegates in this bargaining unit and the bargaining unit covering nurses aides, dietary, laundry and housekeeping employees.

ARTICLE 6 - HOURS OF WORK AND SCHEDULING

Section 1. The normal work week shall be defined as the period of time beginning and ending 7:00 a.m. Sunday (6:00 a.m. for Dietary and Laundry), except that the normal work week for employees working under Shift Options (c) and (e) set forth in Article 26 shall be defined as the period of time beginning and ending 7:00 a.m. Saturday.

Section 2. The normal workday shall be for eight (8) hours as heretofore for shifts starting at 7:00 a.m., 3:00 p.m. and 11:00 p.m. These shifts shall continue except that the Employer shall have the right to change starting and stopping times of a shift for a maximum of one (1) hour for good and sufficient operational reason, subject to the following: (i) the Employer shall notify the Union at least two (2) weeks prior to such a permanent change, during which time the Union shall have the opportunity to meet and discuss such changes; and (ii) in connection with temporary changes (defined as up to two (2) weeks), this right shall not be abused, and volunteers shall be sought first, after which the changed hours can be required in accordance with reverse seniority within the classifications and shifts affected, but an Employee will not be disciplined if he or she has bona fide reasons for being unable to change his or her hours of work.

Section 3. Employees shall maintain their current shifts, unless they elect to exercise their rights under the promotion and transfer provisions of this Agreement.

Section 4. Employees shall receive one (1) paid fifteen (15) minute break and one (1) unpaid thirty (30) minute meal break during each shift worked, as heretofore.

Section 5. Completed schedules shall be posted at least thirteen (13) days in advance to cover a four (4) week period. After posting, no Employee's hours will be changed without his or her consent (or unless consistent with this Agreement), except that hours beyond those specified in the shift option may be canceled with at least seventy-two (72) hours' notice due to Employee initiated changes (e.g., cancellation of vacation, personal days, benefit days or other days off or early return from a leave of absence), and due to the hiring of an Employee or a new Employee's early completion of orientation. Employees' requests for cancellation of time off or early return from leaves of absence may be denied if the Employer is unable to reach the scheduled Employee to cancel his or her additional hours with seventy-two (72) hours' notice.

Section 6. The Employer will publish schedules providing adequate staffing levels, thirteen (13) days in advance for each four (4) week period. Each schedule will:

- (a) Give each full-time Employee the number of hours consistent with his/her Shift Option and each part-time Employee the number of hours for which he or she was hired;
- (b) Give each Employee every other weekend off (unless the Employee owes a make-up for missing work on a scheduled weekend) except as specified in the Employee's Shift Option or with the Employee's consent; and
- (c) Schedule no one for more than five (5) successive days of work (unless the Employee owes a make-up for missing work on a scheduled weekend) except with the Employee's consent.

Section 7. Distribution of Additional Hours.

A. Shifts Which Are Available Before "Available Shifts" List is Posted

Commencing with the full four (4) week schedule covering hours to be worked beginning on or after September 1, 1994, the following procedures will be followed:

- (i) Prior to drawing-up of the schedule, sign-up sheets shall be posted, specifying available shifts on particular days, for Employees who wish to work additional shifts to indicate their desire. These sign-up sheets (referred to as the "Available Shifts" List) shall be posted fourteen (14) days (i.e., Monday morning) before the schedule is to be posted and shall be removed subsequent to 8:00 a.m. on the following Monday.
- (ii) Any shifts which remain vacant (after full-time and part-time Employees have been scheduled for their regular hours) shall be assigned, in bargaining unit seniority progression, to Employees who requested the shift on the "Available Shifts" List, in the following order: (a) to Employees who will be eligible only for straight-time pay for the shift; and thereafter, (b) to remaining Employees (i.e., those eligible for time and one-half for any hours on the shift). (If an Employee signs up and has bargaining unit seniority for more available shifts than he or she can be assigned without receiving time and one-half, the Employee will be assigned only the number of shifts for which the Employee will be available for straight-time, unless the Employer begins assigning shifts to Employees who will be eligible for time and one-half.)

(iii) The schedule will be posted thirteen (13) days (i.e., Monday morning) before the first (1st) day to which the schedule is applicable.

(iv) Employees shall cancel, as soon as possible, any extra shifts which they do not desire to work, but no later than 8 a.m. on the day that the Daily Sign-Up List (as referred to in Section 7(B)(i) below) is removed normally one (1) week in advance of the shift. (Example: 8:00 a.m. on Monday for the 11:00 p.m. - 7:00 a.m. shift beginning on the following Monday.) See Section 7(B)(i) for exceptions for Saturdays, Sundays and Holidays.

B. Shifts Which Become Available After "Available Shifts" List is Posted

(i) A sign-up list (referred to as "Daily Sign-Up List" shall be posted, for a day at a time, at least fourteen (14) days before the day to which the sign-up sheet is applicable. The Daily Sign-Up List will be subdivided by shift and day. Employees desiring to work additional hours on the day to which the Daily Sign-Up List is applicable may specify their availability. The Daily Sign-Up List will be removed at or after 8:00 a.m. one week in advance of the day to which the Daily Sign-Up List is applicable, and a copy subsequently posted by 5:00 p.m. on the same day, indicating those employees who have been selected to work the shifts. The selection shall be based upon bargaining unit seniority on a straight time basis and, thereafter, bargaining unit seniority on a time and one-half (1-1/2X) basis as described in Section 7(A)(ii) above. (Exceptions: (1) For shifts on Saturdays and Sundays, the Daily Sign-Up List will not be removed until on or after 8:00 a.m. on the Monday prior to the day to which it applies, and a copy subsequently posted by 5:00 p.m. on that same day; and (2) the Daily Sign-Up List will not be removed or subsequently posted on contractual holidays until the following day.

In the case of holidays specified in Article 7 below, the DSL will be posted at least twenty-one (21) days before the holiday (instead of fourteen (14) days before the holiday) and will be removed on or after 8:00 a.m. fourteen (14) days in advance of the holiday (instead of seven (7) days before the holiday).

(ii) A copy of the re-posted Daily Sign-Up List, indicating those employees who have been selected to work the shifts will be given to the receptionist. Employees who request additional shifts are expected to contact the receptionist Monday through Friday between 9 a.m. and 5 p.m. if they are not to be at the Facility (for any reason) prior to the day covered by the re-posted Daily Sign-Up List.

(iii) In the event that shifts become vacant following the re-posting of the Daily Sign-Up List, the Employer shall contact and offer the shift(s), in bargaining unit seniority progression in the following order: (a) to those Employees on the Daily Sign-Up List for the specific shift who have indicated their desire to be contacted and who are available for straight-time pay for the shift; (b) to remaining Employees on the Daily Sign-Up List for the specific shift (i.e., those eligible for time and one-half for any hours on the shift) who have indicated their desire to be contacted for that shift; and (c) at the Employer's option, either:

- to employees in the building who volunteer to work extra hours; or

- to other employees who are available for straight time pay for the available shift; and, thereafter to the remaining employees (i.e. those eligible for time and one-half for any hours on the available shift).
- Per diem nurses.

Whenever the Employer may utilize volunteers in the building, it will post a sign-up list at least thirty (30) minutes before the beginning of the shift and will award the additional hours on a seniority basis among the employees in the classification who are in the building.

C. Example.

For the four (4) week period from September 18, 1994 through October 15, 1994, the following will occur:

- (i) The Available Shifts List will be posted on Monday morning, August 22.
- (ii) The Available Shifts List will be removed at or after 8:00 a.m. on Monday, August 29.
- (iii) The schedule will be posted by Monday, September 5, 1994.
- (iv) For Monday, September 19, the Daily Sign-Up List will be posted on or before September 6 (since September 5, 1994 is Labor Day) and will be removed after 8:00 a.m. on Monday, September 12.

A copy of the Daily Sign-Up List for Monday, September 19 will be posted by 5:00 p.m. on Monday, September 12, notifying those employees who have been selected to work the shifts on Monday, September 19.

- (v) This same procedure shall be followed for shifts commencing on Mondays through Fridays, except that a posting may be delayed for one day on a contractual holiday.
- (vi) As noted above, the Daily Sign-Up List will not be removed and subsequently posted for Saturdays and Sundays until the prior Monday, rather than one (1) week in advance. For example, for Sunday, September 25, 1994, the Daily Sign-Up List will be posted on or before Sunday, September 11, and will be removed after 8:00 a.m. on Monday, September 19. It will be posted by 5:00 p.m. on Monday, September 19, notifying those employees who have been selected to work the shifts on Sunday, September 25.

Section 8. The Employer shall have the right to require the least senior Employees, in reverse seniority order, to work additional hours or overtime, whichever applies, where a problem arises:

- (a) Because of Employee-initiated changes.

(b) Because of bona fide terminations.

(c) Because of an Act of God.

Section 9. Employees shall be paid at one and one-half (1-1/2) times their regular rate of pay for all hours in excess of eight (8) hours in a day or forty (40) hours in a week.

Section 10. "Full-time Employee" shall be defined as any Employee regularly paid thirty-two (32) or more hours per week.

ARTICLE 7 - HOLIDAYS AND PERSONAL DAYS
(Not For Employees Working Under Shift Option (c) or (e))

Section 1. All non-probationary Employees regularly working thirty-two (32) hours or more per week shall be entitled to the following paid holidays:

New Year's Day	Independence Day
Good Friday	Labor Day
Memorial Day	Thanksgiving Day
Christmas Day	

Section 2. All Employees working thirty-two (32) hours or more per week shall accrue one (1) personal day each three (3) months to be taken after the three (3) months at a time of the Employee's choice. Employees shall request personal days in writing as early as possible. Those requested at least seven (7) days in advance will not be unreasonably denied. Effort will be made to grant requests for personal days with less notice, provided that this shall not require the Employer to grant such personal days if it will result in a time and one-half situation for the substitute. Not more than three (3) unused personal days may be accrued.

Section 3. If an Employee works a holiday, he or she shall be paid one and one-half (1-1/2) times his or her regular rate of pay and, if non-probationary and working under Shift Option (a), (b), or (d), shall receive an additional day off with pay. Such days off shall be scheduled according to the same procedure which applies to personal days.

Note: Employees working under Shift Options (c) or (e) who work on a holiday designated herein shall receive one and one-half (1-1/2) times his or her regular rate of pay for the hours worked during the holiday but shall not receive an additional day off with pay.

Section 4. If a full-time Employee's regularly scheduled day off falls on a holiday, he or she shall receive either holiday pay or an additional day off, at the Employee's request. Any such day off shall be scheduled according to the same procedure which applies to personal days.

Section 5. Employees shall be scheduled off on holidays on an equitable rotating basis. The Employer will not schedule Employees to work two (2) consecutive holidays. Employees in the same classification who mutually agree to exchange shifts or days off for holidays may do so by giving at least twenty-four (24) hours' advance written notice to their supervisors, provided the switch does not result in additional overtime liability. Employees absent on a holiday that the

Employee was scheduled to work shall make up the holiday in circumstances indicating abuse by the Employee.

Section 6. Holiday pay and personal day pay shall be at an Employee's regular rate of pay.

Section 7. An Employee who, without advance excuse or proven illness, is absent on his or her regularly scheduled shift preceding, or on his or her regularly scheduled shift following, a holiday, will forfeit the holiday pay.

Section 8. Holidays, but not personal days, shall be considered as time worked for the purpose of calculating overtime.

Section 9. Employees regularly working sixteen (16) or more hours per week, but less than thirty-two (32) hours per week, shall receive half (1/2) benefits for holidays and personal days.

Section 10. An Employee whose employment is discontinued for any reason shall receive holiday pay and personal day pay for any unused holidays or personal days, in his or her paycheck covering the pay period during which the Employee's employment was discontinued, except that no holiday or personal day pay shall be paid to an Employee who resigns with less than two (2) weeks' notice.

One (1) year	Two (2) weeks
Five (5) years	Three (3) weeks
Ten (10) years	Four (4) weeks
Effective July 1, 2011:	
Fifteen (15) Years	Four (4) weeks & Three (3) Days

Section 2. Vacation may be taken in full-day or greater portions of the total entitlement, but may not be taken more than twelve (12) months after it accrues.

Section 3. If a holiday falls within an Employee's scheduled vacation, that day will not be charged against his or her vacation entitlement.

Section 4. Vacations will be scheduled at the Employee's request. Employees are expected, wherever possible, to request vacations at least one (1) week prior to the posting of the schedule to which the vacation applies. The Employer shall only restrict the approval of vacation requested to the degree required for operation of the nursing home.

The Employer shall act on employee vacation requests within two (2) weeks of the request, subject to the following: (i) vacation requests for the summer months (June, July, August, September) shall be made prior to May 1 and acted upon by May 14; (ii) vacation requests for the month of December shall be made prior to November 1 and acted upon by November 14; and (iii) for requests made within two (2) weeks of the time requested, the Employer shall act upon such requests within three (3) business days of the request (excluding Saturdays, Sundays and holidays). The check will be at wage rates as of the time of preparation; any increase necessary to comply with Section 8 will be adjusted promptly.

Section 8. Vacation pay shall be at an Employee's regular rate of pay, including any weekend differential, at the time the vacation is taken.

Section 9. If sick leave or other authorized leave of absence extends into an Employee's scheduled vacation, the vacation will be postponed and another period chosen by the Employee in accordance with the above provisions.

Section 10. Vacation (as well as benefit days used as vacations) shall be considered as time worked for the purpose of calculating overtime. Vacation and benefit days may be cashed-in by the Employee, at the Employee's option, in lieu of taking the paid time off, when an Employee accepts hours on a day on which the employee previously scheduled a vacation or benefit day, such payment for the vacation, personal or benefit day shall be treated as re-purchased time rather than hours worked for purposes of calculating overtime.

Section 11. An Employee on layoff will accrue, if he or she returns to work, credit toward vacation of the lesser of sixty (60) days or the length of the layoff.

Section 12. The Employer shall notify each employee on or about the employee's employment anniversary and half anniversary date of his or her accrued vacation time and personal time. Section 1. The Employer shall have the right to discharge, suspend or discipline any Employee for just cause.

Section 2. The Employer will notify the Union in writing of any discharge or suspension within forty-eight (48) hours from the time of discharge or suspension. If the Union desires to contest the discharge or suspension, it shall give written notice thereof to the Employer within seven (7) calendar days. In such event, the dispute shall be submitted and determined under the Grievance and Arbitration Procedure hereinafter set forth, however commencing at Step 3 of the Grievance Procedure.

Section 3. All time limits herein specified ending on a Saturday, Sunday or holiday shall be extended to the next weekday.

ARTICLE 10 - GRIEVANCE PROCEDURE

Section 1. A grievance shall be defined as a complaint of one (1) or more Employees or the Union, arising between the parties hereto under or out of this Agreement or the interpretation, application, performance, termination, or any alleged breach thereof, and shall be processed and disposed of in the following manner:

Step 1. Within seven (7) calendar days (except as provided in Article 9 entitled "Discharge and Penalties"), an Employee having a grievance and/or his Union delegate shall take it up with his immediate supervisor. The Employer shall give an answer to the Employee and/or Union delegate within forty-eight (48) hours after the presentation of the grievance in Step 1.

Step 2. If the grievance is not settled in Step 1, the grievance may, within seven (7) calendar days after the answer in Step 1, be presented in Step 2. The grievance shall be reduced to writing, signed by the grievant and/or his Union representative or delegate and presented to the department head. A grievance so presented in Step 2 shall be answered by the Employer in writing within five (5) working days after its presentation.

Step 3. If the grievance is not settled in Step 2, the grievance may, within five (5) working days after the answer in Step 2, be presented in Step 3. A grievance shall be presented in this step to the Employer's Nursing Home Administrator or representative designated by the Employer, or his designee; and he or his designee shall render a decision in writing within five (5) working days after the presentation of one (1) grievance in this Step.

Section 2. Failure on the part of the Employer to answer a grievance at any Step shall not be deemed acquiescence thereto, and the Union may proceed to the next Step.

Section 3. Anything to the contrary notwithstanding, a grievance concerning a discharge or suspension may be presented initially at Step 3 in the first instance, within the time limit specified above.

Section 4. All time limits herein specified ending on a Saturday, Sunday or holiday shall be extended to the next business weekday.

Section 5. A grievance which affects a substantial number or class of Employees, and which the Employer representative designated in Steps 1 and 2 lacks authority to settle, may initially be presented at Step 3 by the Union representative.

Section 6. The parties agree with the generally accepted labor relations principle that an Employee shall perform a work assignment even if he or she disagrees with it, unless doing so presents a danger to life or limb. Performance of the assignment does not prevent the Employee from filing a grievance.

ARTICLE 11 - ARBITRATION

Section 1. A grievance which has not been resolved may, within thirty (30) working days after completion of Step 3 of the Grievance Procedure, be referred for arbitration by the Union to an arbitrator selected in accordance with the procedures of the American Arbitration Association. The arbitration shall be conducted under the Voluntary Labor Arbitration Rules then prevailing of the American Arbitration Association.

Section 2. The fees and expenses of the American Arbitration Association and the arbitrator shall be borne equally by the parties.

Section 3. The Award of an arbitrator hereunder shall be final, conclusive and binding upon the Employer, the Union and the Employees.

Section 4. The arbitrator shall have jurisdiction only over disputes arising out of grievances, as defined in Article 10 entitled "Grievance Procedure," and he shall have no power to add to, subtract from, or modify in any way any of the terms of this Agreement.

Section 5. Expedited Arbitration for Discharge Cases Only.

The parties agree that discharge cases may be handled under the expedited arbitration procedures of the American Arbitration Association in accordance with the following rules:

(a) Within seven (7) calendar days after receipt of the Employer's Step 3 Grievance Procedure answer, the Union may request expedited arbitration in a discharge case only by utilizing the following procedure:

(1) The Union shall initially notify the Administrator by telephone that it desires to proceed to arbitration in a particular case. Within forty-eight (48) hours of such notification, the parties shall agree on a hearing date within thirty (30) working days of such notification by the Union.

(2) The Union will then confirm in writing to the Employer's Director of Personnel or his designee that it is proceeding to submit the discharge case grievance to the American Arbitration Association and will set forth the agreed-upon hearing date.

(3) The Union shall notify the American Arbitration Association, which shall submit to the parties a list of arbitrators who are available to hear the case on the agreed-upon hearing date.

(b) The arbitrator shall issue a written opinion within thirty (30) days of the close of the hearing.

(c) All other rules and procedures of the regular arbitration procedure shall be applicable to the expedited procedure.

ARTICLE 12 - EFFECT OF LEGISLATION - SEPARABILITY

It is understood and agreed that all agreements herein are subject to all applicable laws now or hereafter in effect; and to the lawful regulations, rulings and orders of regulatory commissions or agencies having jurisdiction. If any provision of this Agreement is in contravention of the laws or regulations of the United States or the State of New Jersey, such provision shall be superseded by the appropriate provision of such law or regulation, as long as same is in force and effect; but all other provisions of this Agreement shall continue in full force and effect.

ARTICLE 13 - HIRING

Section 1. It being the desire of the parties to provide for an orderly system of recruitment and placement of workers on jobs in the Nursing Facility, it is therefore agreed:

(a) The Employer shall utilize the Union's Employment Service as part of its recruitment of qualified personnel for bargaining unit job vacancies.

(b) The Employer shall notify the Union's Employment Service of all bargaining unit job vacancies and shall afford the Service twenty-four (24) hours from the time of notification to refer an applicant for the vacancy before hiring from any other source.

(c) The Employment Service shall be administered by the Union and the costs of operating the Service shall be borne by the Union.

(d) Notwithstanding the foregoing, the Employer retains the right to hire or not to hire applicants referred by the Employment Service, in its sole discretion. The Employer also retains the right to hire applicants from other sources in the event the Employment Service does not, within such twenty-four (24) hour period, refer applicants who are qualified in the Employer's sole discretion.

(e) The Employer shall not be required to notify the Employment Service of any job vacancy which must be filled without delay in order to meet an emergency or to safeguard the health, safety or well-being of patients.

ARTICLE 14 - PERSONNEL PRACTICES

Section 1. Minor infractions on the Employee's record shall be cleared after one (1) year, if there are no infractions during that year.

Section 2. The Employer will make provisions for the safety and health of the Employees.

ARTICLE 15 - MANAGEMENT RIGHTS, RESPONSIBILITIES
AND FUNCTIONS

Section 1. Except as this Agreement otherwise provides or restricts, the Nursing Facility retains exclusive rights to management functions and responsibilities. More specifically, the Nursing Facility reserves the rights: to establish and administer policies and procedures related to patient care, research, education, training, operations, services and maintenance of the Nursing Facility; to promulgate reasonable work rules and regulations; to introduce new and improved working methods or facilities or procedures or equipment, regardless of whether or not the same cause a reduction in the working force; to carry out the ordinary and customary functions and responsibilities of management; to reprimand, suspend, discharge or otherwise discipline Employees for just cause; to hire, promote and transfer; to layoff or recall Employees to work; to determine the number of Employees and the duties to be performed; to maintain efficiency of Employees; to establish, expand, reduce, alter, combine, consolidate or abolish any job classifications; to determine operation or services; to determine staffing ratios, plans and areas worked; to control and regulate the use of facilities, supplies, equipment and other property of the Nursing Facility; to determine the number, location and operation of any and all divisions, departments and any and all other units of the Nursing Facility; to determine the assignment of work and the size and composition of the workforce; to determine the qualifications required, provided the Union may challenge, as arbitrary and capricious, the Nursing Facility's establishment of new qualifications (not required by regulations) as they apply to non-probationary employees; to determine and assign all personnel to such duties which are consistent with good patient care and with management responsibilities, rights and functions; to make or change the Nursing Facility's rules, regulations, policies and practices, and otherwise generally to manage the Nursing Facility; to obtain and maintain full operating efficiency and optimum patient care; and in all regards to direct the work force of Employees.

Section 2. The Union recognizes the right of the Nursing Facility to make such reasonable rules and regulations as do not conflict with this Agreement as it may from time to time deem best for the purpose of maintaining order, safety and/or effective operation of the Nursing Facility and, after advance notice thereof to the Union and the Employees, to require compliance therewith by Employees; the Union reserves the right to question the reasonableness of such rules and regulations through the Grievance Procedure.

ARTICLE 16 - NO STRIKE OR LOCKOUT

Section 1. No Employee shall engage in any strike, sit-down, sit-in, slowdown, cessation or stoppage or interruption of work, boycott or other interference with the operations of the Nursing Facility.

Section 2. The Union, its officers, agents, representatives and members, shall not in any way, directly or indirectly, authorize, assist, encourage, participate in or sanction any strike, sit-down, sit-in, slowdown, cessation or stoppage or interruption of work, boycott, or other interference with the operations of the Nursing Facility or ratify, condone or lend support to any such conduct or action.

Section 3. In addition to any other liability, remedy or right provided by applicable law or statute, should a strike, sit-down, slowdown, cessation or stoppage or interruption of work, boycott, or other interference with the operation of the Nursing Facility occur, the Union, within twenty-four (24) hours of a request by the Nursing Facility shall:

- (a) Publicly disavow such action by the Employees.
- (b) Advise the Nursing Facility in writing that such action by Employees has not been called or sanctioned by the Union.
- (c) Notify Employees of its disapproval of such action and instruct such Employees to cease such action and return to work immediately.
- (d) Post notices at Union bulletin boards advising that it disapproves such action and instructing Employees to return to work immediately.
- (e) Take other steps reasonably calculated to terminate such action.

Section 4. The Nursing Facility agrees that it will not lock out Employees during the term of this Agreement.

ARTICLE 17 - SICK LEAVE

(Not For Employees Working Under Shift Option (c) or (e))

Section 1. Employees may elect one (1) of the following options:

(a) Twelve (12) Sick Days/Year Option: Under this option, Employees shall be entitled to twelve (12) sick days per calendar year, accrued at a rate of one (1) per month. Sick leave may be used for the second (2nd) consecutive day of illness and thereafter. In the event of hospitalization, it can be used from the first (1st) day. As in the past, each July and January, Employees have the option of selling back a portion of their accumulated sick leave in excess of twenty-four (24) days.

(b) Eight (8) Sick Days/Year Option: Under this option, Employees shall be entitled to eight (8) sick days per calendar year, earned at the rate of two-thirds (2/3rds) day per month. Sick days earned while an Employee is employed under this option may be used beginning on an Employee's first (1st) day of absence. Each December, Employees have the option of selling back all unused sick days earned during the calendar year preceding December. Sick days earned in prior calendar year may not be sold.

Notes:

(1) Sick days previously accrued under this option shall be used in their entirety before an Employee may utilize sick days accrued prior to January 1, 1992 and sick days accrued under the Twelve (12) Sick Days/Year Option.

(2) Sick days previously earned on the basis of "second (2nd) day paid" can be used only on the second (2nd) consecutive day of absence or thereafter.

Example: On July 1, 1995, an Employee has four (4) sick days accrued under the Eight (8) Sick Days/Year Option and three (3) sick days carried over to January 1, 1995 from the prior year (earned on the basis of "second (2nd) day paid"). If the Employee is absent on July 2 (through 5 and again on July 9 through 12, the Employee would be paid for the entire July 2 through 5 period (utilizing his 1995 sick leave) and for July 10 through 12 (utilizing his 1994 sick leave), but not for July 9, since his 1994 sick leave was earned on the basis of "second (2nd) day paid" and therefore may not be utilized for the first (1st) day of absence.

(3) Employees may switch between the Twelve (12) Days/Year Option and the Eight (8) Days/Year Option on an annual basis by notifying the Employer in writing on or before December 31 of the prior calendar year. An Employee shall remain on the option previously selected if a written notice is not received by December 31. (New hires shall elect an Option prior to the end of their probationary period; if no Option is selected, the Twelve (12) Days/Year Option shall be applicable.)

Section 2. Part-time Employees shall be entitled to a pro-rated portion of the total entitlement.

Section 3. Sick leave may be accumulated up to thirty-six (36) days.

Section 4. Whenever possible, Employees shall notify the Employer at least two (2) hours before the start of their shift, if they are going to call out sick. Exceptions will be made for emergencies. In order to facilitate proper staffing, Employees are encouraged to notify the Employer as soon as possible in the event of illness. This provision shall not be abused.

Section 5. In the event that an Employee becomes eligible for benefits under the New Jersey Workers Compensation Law, due to illness or injury as a result of employment, the Employee may use his accumulated sick leave during the first seven (7) days of time lost due to such illness or injury.

Section 6. The Employer shall furnish the Union with the name of its workers compensation insurance carrier and policy number upon execution of this Agreement.

Section 7. Pay for any day of sick leave shall be at the Employee's regular pay. However, in the event that an Employee's illness extends beyond seven (7) consecutive days, then the Employer will pay to the Employee, to the extent of any sick day to which the Employee is entitled, one-third (1/3) of a day's pay to supplement disability benefits paid under New Jersey Disability Insurance (or the Union benefit funds whichever is applicable) which amount to two-thirds (2/3rds) of a day's pay, to make a total of one (1) full day's pay.

When a bargaining unit Employee is out of work due to an injury or illness, after he or she has exhausted disability benefits and still has accrued sick leave, this sick leave accrual may be used.

Section 8. If an Employee leaves work early due to sickness or otherwise, the Employee shall be paid only for hours worked. (The Employee also may use accumulated sick time.)

Section 9. An Employee whose employment is discontinued for any reason shall be paid for all unused accumulated sick leave earned under the Eight Day Option (Article 27(1)(b)) and all unused accumulated sick leave in excess of twenty-four (24) days earned under the Twelve Day Option (Article 27(1)(b)), in his or her paycheck covering the pay period during which the Employee's employment was discontinued, except that no accumulated sick leave shall be paid to an Employee discharged for just cause or who resigns with less than two (2) weeks' notice.

Section 10. The Employer shall notify each employee on or about the employee's employment anniversary and half anniversary date of his or her accrued sick time. Employees shall have thirty (30) days to dispute the accounting of time; thereafter the employee shall not dispute the accounting.

ARTICLE 18 - SENIORITY

Section 1. "Bargaining unit seniority" shall be defined as the total length of time an Employee has been employed by the Employer in the bargaining unit. "Facility seniority" shall be defined as the total length of time an Employee has been employed by the Employer at this Nursing Facility.

Section 2.

(a) An Employee's seniority shall commence upon completion of probation, and shall be retroactive to his or her date of hire.

(b) All seniority shall accrue during a continuous authorized leave of absence provided that the Employee returns to work immediately following the expiration of such leave; during an authorized leave of absence with pay; during a period of sick leave; and during a layoff.

Section 3. Bargaining unit seniority shall apply in all situations involving competitive bidding, e.g., distribution of additional hours, promotion, transfer, layoff and vacation scheduling. Facility seniority shall apply in the computation and determination of eligibility for all benefits where length of service is a factor pursuant to this Agreement.

Section 4. Promotion and Transfer. All vacancies within the bargaining unit will be posted to the bargaining unit for four (4) days, to include at least one (1) weekend day, unless the Employer polls the employees. If two (2) or more Employees bid for any vacancy, the most senior Employee who bids for the vacancy will be transferred to fill the vacancy, provided he or she has the ability to fill the job requirements. If one (1) qualified Employee bids, he or she will be given the job. Postings for jobs which are posted in anticipation of the possibility that an incumbent in that position may accept another position may be removed in the event that the incumbent in that position is not awarded or does not accept the position.

All bids must be in writing, with a receipt provided by the Employer. The name of the successful bidder, together with the successful bidder's seniority date, will be posted. The successful bidder shall be transferred within forty-five (45) days of the expiration of the job posting.

Job postings will specify the Shift Option and number of hours per week.

Section 5. Layoff. The Employer shall initiate a layoff only for economic reasons. In the event of layoff, the Union and Employees directly affected will be given at least seventy-two (72) hours notice, weekends and holidays excluded.

(a) Temporary Employees will be terminated first.

(b) Probationary Employees will be laid off next.

(c) Non-probationary Employees (including Employees on leaves of absence or returning from leaves of absence) will be laid off by classification in reverse order of seniority (subject to physical ability to do the work required). Required shift reassignment shall be in accordance with seniority.

(d) Delegate Seniority: Delegates of the Union shall be the last laid off in their classification and shifts irrespective of their date of hire.

Section 6. Recall.

(a) Recall rights shall be for the lesser of one (1) year or the length of service.

(b) Recall from layoff will be by classification in reverse order of layoff (subject to physical ability to do the work required).

(c) Notice of recall shall be by certified mail, sent to the Employee's last known address.

(d) Employees shall be required to respond within five (5) days of receipt of notice, and shall return to work no later than two (2) weeks after receipt of notice.

ARTICLE 19 - UNPAID LEAVE

(a) Whenever an Employee shall become ill, injured or disabled, he or she shall furnish the Employer with a certificate from his or her physician. Medical leave shall be granted for the length of the disability up to twelve (12) months. The Employer, in its discretion, may require periodic call-ins (no more frequently than every two (2) weeks) and examination by the Employer's physician (at its expense). Upon proof of cure, the Employee shall be entitled to return to his or her former position or an equivalent position on the same shift subject to the terms of this Agreement.

(b) With respect to pregnancy, an Employee shall furnish the Employer with a certificate from her physician stating her expected date of delivery. She shall be permitted to work through the term of her pregnancy, subject to her ability to do the job and subject to approval of her physician.

(In the case of the natural mother, this leave will overlap with her medical leave.) The Employee shall be entitled to return to her former position or an equivalent position on the same shift subject to the terms of this Agreement.

Section 3. Personal Leave. Employees shall be entitled to leaves of absence for other good reasons in the Employer's discretion. Employees shall be entitled to return to their former positions or equivalent positions on the same shift subject to the terms of this Agreement.

Employees shall be entitled to return to their former positions or equivalent positions on the same shift subject to the terms of this Agreement.

Section 5. Military Leave. Leaves of absence for the performance of duty with the U.S. Armed Forces or with a Reserve component thereof shall be granted to Employees. Employees shall be entitled to return to their former positions or equivalent positions on the same shift subject to the terms of this Agreement.

Section 6. FMLA.

(a) The Employer shall comply with the Family and Medical Leave Act and the New Jersey Family Leave Act.

(b) The Employer's compliance with the FMLA shall not result in diminishing any rights concerning leaves otherwise specified in this Agreement. Leaves pursuant to the FMLA shall run concurrently with leaves authorized by other provisions of this Agreement and shall not extend the length of those leaves.

Section 7. Employees on medical leave shall accrue vacation and sick leave for the first sixty (60) days of the leave. Employees on other leaves shall have no accrual.

Section 8. Outside Employment During a Leave of Absence. During a leave of absence, an employee is prohibited from:

The Trust Agreement shall provide for bloc voting and for the resolution of any dispute or deadlock between or among the Trustees by arbitration, as provided elsewhere in this Agreement.

Section 4. Payments shall be made no later than the tenth (10th) day of the month following the date on which the payroll period for the preceding month is concluded. Together with the periodic payments herein provided, the Employer shall submit regular monthly reports in such form as may be necessary for the sound and efficient administration of the Fund.

Section 5. An independent audit of the Group Legal Services Fund shall be made annually, and a statement of the results thereof shall be furnished to the Employer. The Employer agrees to make available to the Group Legal Services Fund any such records of Employees as names, classifications, dates of hire, hours of work, social security numbers, accounts of payroll and/or wages paid, and dates of termination or leave which the Fund may require in connection with the sound and efficient administration of the Fund or that may be so required in order to determine the eligibility of Employees for Fund benefits, and to permit an accountant for the Fund to audit such records.

Section 6. The Group Legal Services Fund shall be operated at all times pursuant to the provisions of Section 302 of the National Labor Relations Act, as amended, and all prevailing federal and state laws as well as the canons of professional ethics governing the operation of group legal service programs. No funds contributed by the Employer pursuant to this Article shall be used to finance litigation by Employees of the Employer against the Employer or the Union.

ARTICLE 20B - TRAINING AND UPGRADING FUND

The Employer will contribute to the Trustees of the District 1199C Training and Upgrading Fund a sum of money equal to one and one-half percent (1-1/2%) of the gross payroll for all Employees covered by this Agreement who have satisfactorily completed their probationary periods. Contributions so received by the Trustees shall be used to study hospital manpower needs, including shortages in entry-level jobs, upgraded positions and credential jobs; to develop career ladders; and to subsidize Employees in training and, when necessary, the costs of training

in areas of manpower shortages. Such program shall be administered under an Agreement and Declaration of Trust. The Trustees of such Training and Upgrading Fund, in addition to the monies received from hospitals, shall attempt to secure such additional funds as may be available from public or other private sources. In addition, the Trustees shall seek community cooperation in such programs. The Trustees of the Training and Upgrading Fund shall be composed of an equal number of representatives designated by the Union and by the Employers. Such Trust Agreement shall provide for bloc voting and for the resolution of any dispute or deadlock between or among the Trustees by arbitration. The Employer agrees to make available to the Fund such records of Employees as names, classifications, social security numbers, and accounts of payroll and/or wages paid which the Fund may require in connection with the sound and efficient administration of the Fund, or which may be so required in order to determine the eligibility of Employees for Fund benefits, and to permit an accountant for the Fund to audit such records.

Re: Lakewood of Voorhees - Professional Unit Contract -
Shift Option Minimums for Twelve Hour Shifts

Dear Mr. Nicholas:

This letter is intended to confirm the understanding reached between Lakewood of Voorhees Associates d/b/a Lakewood of Voorhees and National Union of Hospital and Health Care Employees, AFSCME, AFL-CIO and its Affiliate District 1199C during our negotiations which culminated in the collective bargaining agreement in effect for the period from July 1, 2008 through June 30, 2012.

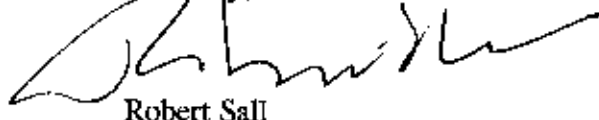

The parties agreed that the minimum number of employees working twelve (12) hour shifts would be a total of four (4) employees working either 7:00 a.m. to 7:00 p.m. shifts on Saturdays and Sundays or 7:00 p.m. to 7:00 a.m. shifts on Saturdays and Sundays, instead of a minimum of two (2) employees on each of these shifts.

It was agreed further that employees currently working these shift options on the date of ratification would not be adversely affected by this contract modification.

If the paragraph accurately sets forth the Union's understanding of our agreement, please execute two (2) copies of this side letter and return one (1) copy to me for my file.

Thank you for your assistance.

Sincerely,

Robert Sall

Re: Lakewood of Voorhees - Professional Unit Contract
Treatment of the Meal Period

Dear Mr. Nicholas:

This letter is intended to clarify the agreement reached between Lakewood of Voorhees Associates d/b/a Lakewood of Voorhees and National Union of Hospital and Health Care Employees, AFSCME, AFL-CIO and its Affiliate District 1199C concerning the application of Section 6(4) of the Professional Unit contract in effect through July 1, 2012:

1. Section 6(2) provides that the normal workday shall be eight (8) hours as heretofore. Section 6(4) will provide that employees are to receive an unpaid thirty (30) minute meal break per shift.

2. The following provisions clarify the application of these sections:

(a) Nurses are expected, as necessary consistent with quality resident care, to spend time during shift changes in connection with giving or taking report (i.e., transferring information to nurses on the next shift) or providing resident care. As a result of these functions, a nurse's hours can run for up to eight (8) hours from beginning to end, excluding the unpaid meal break. However, it is recognized that this would be the exception and that the typical duration would be less than eight (8) hours, excluding the unpaid meal break.

(b) Nurses who work a minimum of seven and one-half (7-1/2) hours, excluding the meal break, will be paid for eight (8) hours, whether or not they are required to work the full eight (8) hours.

(c) Employees will receive additional pay for actual work performed before and after their normal scheduled hours (beyond the time spent on giving or receiving report or providing resident care in connection with a shift change), in addition to the eight (8) hour guarantee referenced above. This pay will be at time and one-half even though the thirty (30) minute meal break is unpaid and is unworked.

(d) This side letter shall not apply to nurses on the 11 p.m. shift or working twelve (12) hour shifts who commenced employment prior to ratification. These employees shall be governed by the side letter concerning service workers.

3. The following example applies the foregoing understandings: A nurse, working the 7 a.m. shift, punches in at 6:55 a.m., has a half hour meal break, and punches out at 3:22 p.m. The employee is to be paid her guarantee for eight (8) hours at her normal rate of pay. (The employee's total time on the clock, excluding the unpaid meal period, was 7 hours and 57 minutes.)

If the foregoing accurately sets forth our agreement, please execute two copies of this letter and return one to me.

Thank you for your assistance.

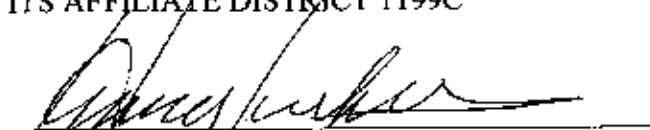

Sincerely,

Robert Sall
